Re: *Petition to Approve Interconnection Agreement Between BellSouth  
Telecommunications, Inc. and Business Telecom, Inc.*  
Docket No. 01-01099

Dear Mr. Waddell:

This is to notify the Authority that while researching its responses to the questions posed by Director Malone during a recent Agenda Conference, BellSouth has determined that certain rates in the agreement submitted by the parties, including non-recurring rates for certain UNE combinations, are incorrect. BellSouth will be submitting a proposed amendment to Business Telecom, Inc. with revised rates. The proposed rates will reflect the non-recurring rate efficiencies ordered by the Authority in the UNE cost Docket No. 97-01262. BellSouth anticipates that the amendment will also update terms and conditions applicable to the revised rates. Upon execution by the parties, the amendment will be submitted to the Authority for approval.

BellSouth apologizes for the inconvenience.

Very truly yours,

Guy M. Hicks
